

(Future planned Entrance – Office Structure)

Triple R Ministries ***Refuge Revival or Rebirth***

STATEMENT OF FAITH

Refuge: God is our refuge and strength, a very present help in times of trouble.
Psalms 46:1

Revival: Will you not revive us again, that your people may rejoice in you?
Psalms 85:6

Rebirth: Jesus answered him, “Truly, truly, I say to you, unless one is born again he cannot see the kingdom of God.”

John 3:3

Religion that is pure and undefiled before God, the Father is this: to visit the orphans and widows in their affliction, and to keep oneself unstained from the world.
James 1:27

Three “R’s” in order of importance:

Refuge: Prepare a place for children in need of a place of safety and refuge. A safe place where they can feel secure, loved and have their needs met.
Psalms 46:1

Revival: For those that have known a walk with Christ, a place of revival and revitalization. When their needs are met, they can open their minds to where they are and what God has in store for them.

Psalms 85:6

Rebirth: Salvation. It is the goal of Triple R that the needs of the child are met, providing safety, refuge and physical needs so that they may have the opportunity to consider the love of Christ that provides an everlasting Father. Rebirth, that they may know Christ and be born again to newness of life.

VISION STATEMENT

Triple R Ministries, shall be a faith-based non-profit organization, existing to provide at-risk, in-need and abandoned children from birth to 19, and a transitional option for young adults 19-25, a structured and secure place of refuge to grow in character, discipline, work ethic and spiritual maturity (Psalm 91:2).

Triple R Ministries believes that God focuses on the heart (1 Sam. 16:7), and therefore all youth have the ability to lead godly lives, become productive members of society and make a positive impact on this world, no matter their past or circumstances, if and when given the opportunity.

Triple R Ministries envisions using loving home environments, structured living and daily biblical studies, disciplined stewardship of land and animals that God has provided, and individual responsibilities to build godly character. We have partnered with other ministries to promote these goals, such as our partnership with SWAN Aviation, taking the time to provide opportunities to youth in working on real planes, and supporting missionary aviation.

Triple R Ministries believes that God can and will use His creation, structured environments and daily stewardship responsibilities and focused daily biblical studies to guide His people.

Each Home on the Ranch will provide a loving home environment teaching, directing and caring for children with the focus of the Statement of Faith and following the principles established herein. The Individual homes are envisioned to utilize the Ranch setting whenever available to further train and disciple the children they welcome to their homes using the animals and ranch responsibilities both as motivation and as a way of building character, self-esteem, and godly stewardship. It is hoped that this will lead to better relationships, work ethic, and ultimately, better futures.

The Triple R Ranch will work in conjunction with the parents of each individual home on the Ranch, and other similar homes regardless of location; to also provide a loving home environment; teaching, directing and caring for youth with the focus of the Statement of Faith and following the principles established herein. The Triple R Ranch is envisioned to utilize the Ranch setting giving primary stewardship to the families and youth residing on the Ranch using animals, farming, and other agricultural resources and responsibilities both as motivation and as a way of building character, self-esteem, and godly stewardship. It is hoped that this will lead to better relationships, work ethic, and ultimately, better futures.

Transitional homes or housing in the ranch setting is envisioned to allow for young adults to continue to support the ranch while developing their vocational skills, and advancing their educational goals. This Transitional program would follow the same fundamental guidelines with the understanding that as adults, the residents must be given the opportunity to begin making their own decisions in life and learning to take ownership of the consequences of those decisions.

Our desire is to see all children, youth and young adults who come to TRM leave better than when they arrived, as we believe that all children and youth have the potential for greatness

when guided by Biblical principles in the love of Christ and as true disciples of the Lord Jesus Christ.

It is our sincere hope that children, youth and young adults living at any location of TRM will eventually enter society with the knowledge, confidence and a relationship with the Lord that will guide them to lead godly lives, and in the future, godly homes. Our prayer is that no child or youth will leave without experiencing a life-changing moment with Jesus Christ (Romans 10:8-10).

We sincerely believe that God will send those He chooses and that we have a responsibility to prayerfully consider every applicant so as to be directed by the Lord and not by human reason or world standards. Everyone who lives and works at TRM needs to have been sent by God to TRM and we must ultimately give Him the glory for all that TRM is and becomes as He leads us now and in the future.
